1. No Contractor, other than the official contractor, is allowed to carry out any installation work concerning the supply of electricity and water at the exhibition site.
2. No more than one extension cord shall be connected to anyone's socket.
3. No individual generators are allowed to be used.

Sales & Customs Duty

1. Goods may be sold during the exhibition but under no circumstances can they be removed from the exhibition site unless all Customs duties/taxes have been paid.
2. During the period of duties/tax assessment, sold exhibits will be moved to a bonded warehouse wherein the Exhibitors will be required to pay an in-transit movement charge.

Booth Preparation and Removal

1. Carry-in, installation, and decoration are allowed only as per the schedule stated in this Manual. Exhibitors are required to complete all the preparation on that day by themselves.

2. The organizer shall not admit starting removal of exhibitors before the closing time (May 11, 2024 at 8:00 pm) of the fair in principle.
3. Exhibitors are also wholly responsible for bringing their exhibits out after the closing of the Expo (May 11, 2024, at 8:00 pm), and are prohibited to leave any exhibits or waste materials on the Expo site.

Prohibition and Regulations

1. Exhibitors are also prohibited from subleasing or transferring the right to use the allocated booth to a third party.
2. The organizer can terminate support if an exhibitor violates any of the exhibition rules and regulations contained herein. In such case, the organizer shall bear no liability to the exhibitor for loss, damage or expense that the exhibitor may incur as a result of such termination.
3. Please note, on the Setup Day (05 May 2024), exhibitors can paste the backdrop and side drops at their respective booths. No displayed items and goods wouldn't be allowed to keep at their respective booth. If any exhibitor keeps their displayed items on setup day, Organizers wouldn't be liable for any loss.
4. Exhibitors should ensure that moving exhibits are kept out of the reach of visitors.
5. Exhibitors should not cause any annoyance to visitors or other exhibitors. The acceptable noise level will be maintained. The organizers reserve the right to impose limitations on the operation of noisy machinery.
6. If an exhibitor's demonstration is considered dangerous, to cause excessive noise, vibration, heat, air contamination, or other hazards, complaints from neighboring exhibitors or if the organizer determines that the demonstration cause problems in maintaining the safety of the fair, the organizer may impose restrictions on the exhibitor's demonstrations activities and/or require the exhibitor to take preventive/corrective measures or stop the demonstration. Expenses related to the above shall be borne by the exhibitor.
7. Smoking on the Exhibition premises is strictly prohibited.
8. Subletting of Booths is not allowed.
9. Display of only the products/services mentioned will be allowed in the booths/pavilions.
10. Please note, if any companies would go for using the sound system in their respective booth or pavilion, the sound should be in minimal sound so that it would not be disturbed the surroundings.
11. Display banners or any Promotional Banners (including long venue banners) can only be displayed in Expo Venue on prior permission from 'CEMS'. Banners without permission are not allowed.
